

## **FIVE-YEAR SOFTENER AND FILTER CONTROLS LIMITED WARRANTY**

HALO WATER SYSTEMS ("HALO") warrants to OEM that its Softener and Filter Control Valves will be free from defects in material and workmanship under normal use and service for a period of five years from the date of shipment of such Valves from HALO plant when installed and operated within recommended parameters. No warranty is made with respect to defects not reported to HALO within the warranty period and/or defects or damages due to neglect, misuse, alterations, accident, misapplication, physical damage, or damage caused by fire, acts of God, freezing or hot water or similar causes. For outdoor installations where the Softener and Filter Control Valves are not under cover, the weather cover must be utilized for the warranty to be valid.

If a HALO CK10 softening system was purchased from a 3rd party, liquidator or by any means other than an authorized licensed wholesale distributor, the warranty is void.

HALO's obligation to OEM under this Limited Warranty shall be limited, at its option, to replacement or repair of any Softener and Filter Control Valve covered by this Limited Warranty. Prior to returning a Control Valve, OEM must obtain a Return Authorization Number from HALO and return the Control Valve freight prepaid. If any Control Valve repaired or its replacement, prepaid to the original point of shipment.

HALO gives this warranty to OEM in lieu of all other warranties, expressed or implied, including without limitation any implied warranties of merchantability or fitness for a particular purpose and hereby expressly disclaims all other such warranties. HALO's liability here under shall not exceed the cost of the product. Under no circumstances will HALO be liable for any incidental or consequential damages or for any other loss, damage, or expense of any kind, including loss of profits arising in connection with the installation or use or
